Secunderabad, Telangana-500010

1. FULL MODULAR KITCHEN

- **Structure** – Pre-fabricated units, assembled for functionality & aesthetics.
 - **Finishes** – Seamless, premium quality.
 - **Design** – Tailored with 3D visuals & expert planning.
 - **Installation** – Easy to assemble & dismantle.
 - **Space Optimization** – Smart storage solutions.
 - **Warranty** – 10-year warranty with replacements.
 - **Cost** – Budget-friendly with long-term value.
 - **Maintenance** – Easy to clean & maintain.
 - **Time** – Quick factory-made execution.
-

2. SEMI MODULAR KITCHEN

- **Structure** – Mix of civil work & modular units.
 - **Finishes** – Dependent on vendors & carpenters.
 - **Design** – Limited customization.
 - **Installation** – Fixed cabinets, not removable.
 - **Space Optimization** – Limited due to existing platforms.
 - **Warranty** – No warranty or replacements.
 - **Cost** – More affordable than full modular kitchens.
 - **Maintenance** – Slightly difficult to clean.
 - **Time** – Longer installation depending on carpenters.
-

3. CUSTOM CARPENTRY KITCHEN

- Structure – Built on-site by carpenters.
- Finishes – Quality depends on craftsmanship.
- Design – Basic 2D planning, limited customization.
- Installation – Hard to dismantle once built.
- Space Optimization – Simple storage solutions, no standard modules.
- Warranty – No guarantee or replacements.
- Cost – Varies based on materials & labor.
- Maintenance – Difficult to clean around fixed cabinets.
- Time – Time-consuming & labor-intensive.
